

# REBUILD THE REC HALL

URJ CRANE LAKE CAMP

## Donor Recognition Opportunities

Thank you for your generous support of the *Rebuild the Rec Hall* Campaign. As a camp community, we will dedicate the Rec Hall to Debby and Nili Shriber in recognition and appreciation of their twelve years of leadership, commitment, and love of Crane Lake Camp. Unless anonymity is requested, we will gratefully acknowledge your participation in this important community fundraising effort in the following ways:

### Naming Opportunities

Donors who make a leadership gift of \$180,000 or above will be invited to name a space within the Rec Hall from the menu of naming opportunities.

### Community Giving Wall

Donors who make a gift of \$1,800 or above will be gratefully recognized on our artistic Community Giving Wall, which will be on display in the Rec Hall for years to come. It will reflect the soul of our camp community and will list donors according to their gift category, as outlined below.

### Recognition for All

All donors who make a gift to the *Rebuild the Rec Hall* Campaign will be recognized in campaign donor lists; these may be included in URJ Crane Lake Camp online and/or print materials. Donors will be listed alphabetically within the appropriate giving category, as listed below.

### In Memory of Ethan Gordon

Crane Lake Camp hopes to dedicate the stage of the Rec Hall in loving memory of Ethan Gordon, a Crane Lake camper who tragically died in 2020. As a fitting tribute to Ethan's love of theater, donors who wish to contribute in his memory will be recognized as part of this dedication.
